TRADE AND DEVELOPMENT BOARD

GENERALIZED SYSTEM OF PREFERENCES

Scheme of Austria

The Austrian Permanent Mission has communicated the following regarding changes and improvements made in that country's scheme of generalized preferences to the Secretary-General of UNCTAD:

"... and has the honour to inform him that with effect from 1 October 1991 the products listed in the attached table 1/ are fully included in the product coverage of the Austrian GSP scheme. Until now, all of these cotton clothing products (undergarments for men, of cotton, and outer garments for ladies, of cotton) were excluded from GSP tariff treatment. These products will now receive the same tariff treatment under the Austrian GSP scheme as all other products falling within HS Chapters 50-63, i.e. a 35 per cent tariff cut for preference-receiving countries in Group I, and 50 per cent for least developed countries. The reader is reminded that there are no quantitative limitations for GSP purposes under the Austrian scheme."

1/ See annex.

Annex
